10. (original) A convertible blanket as claimed in claim 9, wherein the pocket has an opening of less than 50cm.

11. (original) A convertible blanket as claimed in claim 1, wherein the pocket has a first dimension of greater than 30cm.

12. (original) A convertible blanket as claimed in claim 11, wherein the first dimension corresponds to the width of the pocket and extends in a direction substantially parallel to the opening of the pocket.

13. (original) A convertible blanket as claimed in claim 11, wherein the pocket has a second dimension, perpendicular to the first, which is greater than 30cm.

14. (original) A convertible blanket as claimed in claim 13, wherein the second dimension corresponds to the depth of the pocket and extends in a direction substantially perpendicular to the opening of the pocket.

15. (original) A convertible blanket as claimed in claim 1, wherein the blanket is made from a man-made fleece material.

16. (original) A convertible blanket as claimed in claim 1, wherein the material of the pocket includes printing to take the appearance of an amusement object.

17. (original) A convertible blanket as claimed in claim 16, wherein the pocket is intended to be turned inside out before receiving the blanket and it is an internal surface of the pocket which includes printing to take the appearance of an amusement object.

18. (original) A convertible blanket as claimed in claim 16, wherein carrying straps are provided within the pocket which become usable once the pocket has been reversed and the blanket received within the pocket.

19. (original) A convertible blanket as claimed in claim 1, wherein a zip fastener is provided along a first edge of the blanket to join said first edge to a second edge of the blanket together.

20. (currently amended) A convertible blanket comprising:
a blanket in the form of a substantially rectangular area of fabric having a first edge and a substantially parallel second edge

a pocket attached to the blanket, the pocket being of a size for receiving the blanket, said pocket being visually appealing in shape and color and conspicuously positioned such that it is the focal point of the blanket; and

a fastener provided along a first edge of the blanket for fastening said first edge to said second edge of the blanket, whereby the blanket is convertible for use in three modes of operation of:

- 1) blanket being extended for use as a blanket;
- 2) blanket being received in the pocket for use as a pillow or cushion; and
- 3) blanket being fastened along said first edge to said second edge for use as a sleeping bag;

wherein the blanket is easily stowed inside the pocket by stuffing the blanket into the pocket without requiring intricate folding of the blanket.

21. (original) A convertible blanket as claimed in claim 20, wherein the pocket is intended to be turned inside out before receiving the blanket such that the inside of the pocket becomes the outside surface when stuffed with the stowed blanket.

22. (original) A convertible blanket as claimed in claim 20, wherein the blanket is intended for use as a large stadium blanket.

23. (original) A convertible blanket as claimed in claim 20, wherein the blanket is intended for use as a bedspread cover.
